RE: After School Activities Pick Up

GMMS Parents/Guardians,

It was brought to my attention that pick up by the gymnasium lobby for after school activities is becoming hazardous for our students. To rectify this problem, the middle school will be modifying the pickup procedure for after school events. Please adhere to the following when picking up your child from the gym lobby after activities dismiss:

- Please use the rear parking lot and avoid parking at the sidewalk by the gym entrance. It is important to have parents/guardians park in the rear lot so that students do not have to cross the street.
- Under teacher supervision, students will be directed to their parents'/guardians' vehicles.
- Please maintain a speed limit of 10-15 miles per hour while on school property.
- This applies only to students and parents who are dismissing/picking up by the gym lobby.

I thank you for advance for your attention to this matter and appreciate your understanding and help.

Sincerely,

Israel Marmolejos
Principal
