Dear Parents & Guardians,

Each year parents and guardians receive information regarding our school, including policies and procedures for various programs and activities. Included with this information is our school Code of Conduct.

The school Code of Conduct provides parents and students with a detailed outline of Student Rights, Student Responsibilities, what is considered Appropriate Behavior, and what is considered Inappropriate Behavior. When students choose to behave in a manner that is deemed inappropriate, the teaching staff and or administration will pursue consequences that are delineated, but not limited to what is included on the Code of Conduct outline.

It is important that you discuss this information with your child, but also understand the measures that will be pursued should there be a situation that requires disciplinary action. The Code of Conduct is not meant to serve as a punitive tool by the school, but rather as a guide for students to understand the expectations we have of their behavior. We believe every student has the right to learn in a nurturing and safe environment, and that every student is an integral participant in creating a safe and positive school.

Should you have any questions regarding the Code of Conduct included in your packet, please do not hesitate to contact me at 908-637-4351 or at [dhamblin@gmrtd.com](mailto:dhamblin@gmrtd.com).

Sincerely,

Danielle Hamblin  
Principal
