Dear Parents:

I am sending you this letter as a follow up to the winter letter posted in January. Due to the changes the CST has experienced in personnel, we have decided to make changes in case management in an attempt to provide students and families with better services.

Starting February 9, 2009, Mrs. Lutz will case manage Liberty School and the sixth grade at the Middle School. She will also provide counseling to those students. Mrs. Panetta, our new LDTC, will case manage Central School. Mrs. Conway, our school psychologist, will case manage seventh and eighth grade students at the Middle School, providing counseling there and at Central School, and provide case management for students who are placed out of district.

On February 19, 2009, the CST will host a transition program in the library of the Middle School for families with students going to high school. This program will begin at 6:00 PM. Following the transition program, we will have a "meet and greet" held in the same location at 7:00PM allowing families to put faces to the names of the members of the CST.

As always, we continue to strive to provide the best services and program to the students and families in our district both this year and the future. I look forward to working with you now and in the coming years to make that happen at our district.

I look forward to seeing you on the nineteenth.

Sincerely,

Timothy R. Nicinski
