

# YMCA CAMP BERNIE DISTANCE LEARNING SOLUTIONS

Camp Bernie is supporting local families by developing programs that supplement in-school instruction and help parents get back to work.

Remote Learning Support  
Social-Emotional Development

Outdoor Education  
Engaging Camp Activities

**The Y.™ For a better us.**

## BEFORE CARE

7:00am—9:00am (or start of school day)

YMCA Camp Bernie staff will offer small group and station activities to help students warm up for the day's events, whether they will include a full day of in-person schooling or a scattered schedule of remote lessons. This is a great time to build new friendship and practice social skills.

## REMOTE LEARNING SUPPORT & CAMP ACTIVITIES

8:00am—1:00pm (or end of school day)

In response to our unique situation for the fall of 2020, YMCA Camp Bernie is offering this program as a supplement to a wide variety of new school schedules. Whether your school is expecting in-person attendance 2 days per week, 3 days per week, or a combination of the two, you and your child can rely on Camp Bernie to provide programming to complete the week. Even if you are opting for a full remote-learning schedule, Camp Bernie is here for you.

This program provides a safe and conducive environment for remote learning, with reliable WiFi and staff on-hand to assist with connection issues and assignments. We recognize that each teacher will set their own meeting schedules and expectations for their students, and we will work to help each student meet those expectations.

If time is allotted in between sessions, students will be engaged in hands-on experiential learning with camp activities based on local nature and ecology, as well as activities that focus on social-emotional growth and recreational activities to burn that extra energy!

## AFTER CARE

1:00pm (or end of school day)—6:00pm

School schedules differ significantly during this time frame, but Camp Bernie will offer programming starting as early as 1pm with options for students to join later.

Programming may include a continuation of remote learning for some. Others may have virtual classes on specials such as art, music, and physical education. Some students may need homework time, and others will be available for recreational activities. Again, YMCA Camp Bernie will work to ensure that each child meets their school's academic expectations, and will also provide engaging activities to supplement and support their lessons with hands-on outdoor education, recreation, and social-emotional skill-building activities.

---

## PLEASE NOTE

- Busing is currently available for Lebanon Township students. Camp Bernie is looking to work with other school districts to offer transportation options as well. Information regarding future transportation options will be posted on our website and Facebook page ("BernieBear").
- Devices such as computers or laptops are not provided by YMCA Camp Bernie.
- Each student engaged in remote learning at Camp Bernie will need a watch with an alarm.
- Food service is not available at Camp Bernie this fall. Please pack any meals or snacks that your child may need to perform at their best. Some snacks may be purchased at our Trading Post.
- Activities will take place outdoors at times. Please ensure that your student comes with appropriate outerwear for the weather conditions.
