

Realtime Parent Portal Help Guide-Initial Login

1) Initial Login:

- a. From the school website click the "Parent Portal" icon to access the login screen.

- b. You are now at the Realtime Parent Portal Login Screen. You can also get to this webpage by entering the web address of <http://www.fridayparentportal.com/greatmeadows>. Here you enter your temporary username and password which was sent home to parents in a letter from the schools and then click the Enter Portal button. If you don't have your username and password for the Parent Portal please contact your schools secretary for this information.

Welcome to Great Meadows Parent Portal

This is the entry point to our 'Realtime' Student Information System that tracks attendance, grades, and test scores for every child. All parents and Guardians of Great Meadows Regional Schools children have access to this system from home, allowing them unparalleled access to information on their child's progress. You should have received a letter from your child's school which includes the specific login information for your child. If you have not received a letter with this information, please contact the school your child attends.

- c. You will be asked to change your username and password after you successfully login for the first time with the school supplied temporary password. Here you enter your preferred username, password, and supply an answer to a Security Question you select from the available list (this will be used in the event you forget your username or password in the future). Then click the “Save Account Info” button.

Enter a new username and a new password between 6 and 12 characters in length. You will need to log in again with your new password.

- e. Once you access the full site you should see a screen like the one shown below. The school name will reflect the school your students account is linked to. It is **extremely important that you next check the phone numbers and email address connected to your account**. Until these are entered you may miss school alerts and emails as this system is replacing the old Honeywell Instant Alert system.

Great Meadows Middle School

Welcome to Great Meadows Middle School Parent Portal

This is the entry point to our 'Realtime' Student Information System that tracks attendance, grades, and test scores for every child. All parents and Guardians of Great Meadows Regional Schools children have access to this system from home, allowing them unparalleled access to information on their child's progress. You should have received a letter from your child's school which includes the specific login information for your child. If you have not received a letter with this information, please contact the school your child attends.

This tool will allow you to view school information at anytime through the Internet. We are excited because we feel it opens yet another line of communication between school and home. We invite you to log on and click around to see the information which is available to you. Once you login to the system and change your password, your login and password information will stay with your child until they graduate from Great Meadows Middle School.

As we grow and expand the system you will gain access to more features and functions. We hope you will find this to be a valuable tool. Should you have any questions or concerns, please contact the secretary at your child's school to help you with your 'Realtime' questions.

David C. Mango, Superintendent
Great Meadows Regional Schools
