

Dear Parents/Guardians,

World Diversity Day is May 21, 2022. This worldwide event is an opportunity to help communities understand the value of cultural diversity and learn how to live together in harmony. As a culminating activity, we are asking students and parents to work together to share facts about your culture and traditions. The projects from each family's research will be put together into a presentation for the district. This presentation will be shared on May 20<sup>th</sup>, 2022.

Click [here](#) for a sample slide you can create with your child(ren). Click [here](#) to use Google Slides to make a copy, fill out your information and add pictures. The sample slide is just a suggestion. Please feel free to be creative! If you prefer, you can fill out the attached form with some facts about your family and culture. We will have students from the GMMS Diversity Club, Student Council, and SLC create slides to add to our slideshow. We are looking forward to celebrating our diverse community.

If you have any questions, please email me at [swestberg@gmrsd.com](mailto:swestberg@gmrsd.com). Information is due by April 30<sup>th</sup>, 2022. Thank you in advance for helping us honor World Diversity Day.

Sincerely,

Samantha Westberg
