

April 29, 2021

Dear Great Meadows Parents,

This has been a challenging time for everyone, please anticipate it will continue through the end of the school year. We have struggled with drivers getting sick and having family members sick. We are working with the schools and drivers to ensure the safety of all students. This is a reminder that students should be out 10 minutes prior to their scheduled pick up time. The times may vary due to changing of cohorts and the regular addition and deletion of students. Thank you for your patience and understanding in this matter.

Stay safe!
